Promote your Page

Recommended

Get more calls

Recommended

Get more website visitors

Recommended

Get more leads

Create an ad to request contact details from potential customers

Recommended goal

We recommend starting with this goal to help reach at least 500 followers before running other ads.

Pages with more followers tend to get better ad results since they appear more credible and help Meta find the right audience for your ads.

The image shows a Facebook mobile app interface with a 'Create post' screen in the background. A 'Schedule post' dialog box is open in the foreground. The dialog box has a title bar with a close button. Below the title, it says 'Schedule your post for the times when your audience is most active, or manually select a date and time in the future to publish your post.' There are two input fields: one for the date 'Oct 22, 2024' and one for the time '10:00 PM'. Below these fields, it says 'Active times' and 'No active times to show.' At the bottom of the dialog box are 'Cancel' and 'Save' buttons. In the background, the 'Create post' screen shows 'Scheduling options' with a date and time picker, 'Privacy settings' with a public/private toggle, and a 'Boost' button. A 'Facebook Feed preview' is also visible on the right side of the background screen.

Poster Create from Canva

The image shows the Canva design interface with three posters created for a book store. The interface includes a top navigation bar with options like File, Resize, Editing, and a search bar. On the left, there's a sidebar with categories like Design, Elements, Text, Brand, and Uploads. The main workspace displays three posters:

- Poster 1:** A black square poster with a white logo of an open book and the text "FACTUAL BOOK SELLER" and "Grow up with us".
- Poster 2:** A horizontal banner with a light blue background. It features the "JOB AIR BOOK STORE" logo, the text "FACTUAL BOOK SELLER", and a circular logo with the text "বই কিনে কেউ দেউলিয়া হয় না".
- Poster 3:** A horizontal banner with a red background. It features a stack of books, the text "Online Bookstore", "Grand opening Book Fair", "23 OCT, 2024 to 25 OCT, 2024", "New Vision IT. Ltd.", and the address "110 CDA Avenue, Nasirabad, (Opposite CTG Shopping Complex) Chittagong, Chittagong, Bangladesh".

Each poster has a "+ Add page" button below it. The interface also shows a search bar with "book" entered and various design elements like "Book icon", "Open book", and "Book cover" available for selection.
